

1. For this method, you only need to concern yourself with the set of circles as displayed below.
2. Select a ring that fits the intended finger properly.
3. Place the ring over the circles until the inside of the ring matches a specific circle.
4. If your ring happens to fall between two sizes, select the larger one.

PLEASE NOTE: The accuracy of this ring sizing guide may be affected by some factors such as print options, paper type, and other possible factors.
